BD Blood Collection Symposium

Date: Wednesday 15th May 2024

Location: Third Floor Town Hall Space,
BD Winnersh, 1030 Eskdale Road,
Wokingham, Berkshire, RG41 5TS

Since the outbreak of the pandemic, the importance of a high quality sample has become even more evident and as the landscape looks at new ways of not only collecting blood samples but the location at which the sample is given, the fundamentals remain the same. Join us at our upcoming symposium where we will cover a number of topics and focus on blood collection best practice and strategies to help minimise preanalytical errors.
