BD Blood Collection Symposium

Date: Thursday 16th May 2024

Location: Radisson Blu Hotel
Manchester Airport, Chicago Avenue,
Manchester, M90 3RA

Since the outbreak of the pandemic, the importance of a high quality sample has become even more evident and as the landscape looks at new ways of not only collecting blood samples but the location at which the sample is given, the fundamentals remain the same. Join us at our upcoming symposium where we will cover a number of topics and focus on blood collection best practice and strategies to help minimise preanalytical errors.
